

# Create value

## Grow CDHC revenue

Partner with a technology company that will allow you to accelerate growth through a totally private label benefit administration platform that creates massive value and will result in new income opportunities for you.

### Create value for the Employer

#### Increase adoption

BenefitSpan™ can help you and your clients achieve higher CDHC adoption by combining customized benefits packages with comprehensive education and enrollment. Annual reports and document archive facilitate tax reporting.

#### Generate savings

Realize the savings potential of CDHC benefit plans by creating optimal benefit packages combined with intelligent contribution allocation to maximize the annual savings for your clients. BenefitSpan™ allows the employer to share the administrative costs with employees by offering valuable optional services

#### Reduce administrative overhead

BenefitSpan™ is an automated benefits delivery platform that reduces administrative overhead. BenefitSpan™ can lower costs for your clients while making you competitive and accelerating your earnings.

#### Build lasting relationships

Engage your clients and consumers with relevant and timely communication that help build deep and lasting relations. Keep the executives informed of the success and results of your programs and accomplish this in a highly automated and consistent manner using BenefitSpan™

### Create value for the Employee

#### Reduce out of pocket expense

CDHC offers considerable savings in the form of tax advantages, cost control and optimal utilization of funds. BenefitSpan™ facilitates cost control via Member HealthMall, bill review, payment administration and automated contributions and reimbursements.

#### Empower decisions

Consumers need and deserve information, tools and support to make optimal benefit decisions. Lead the market with a real focus on education, empowerment and self-service. BenefitSpan™ is designed from the ground-up to place the consumer in the center of service delivery cycle.

#### Improve access to benefits

BenefitSpan™ is designed for ease of use by the consumer and provides a comprehensive portal for complete access to all healthcare and financial transactions.

#### Build lasting relationships

Consumers are looking for a trusted last-mile relationship with the administrator. CDHC requires increased involvement of the consumer in the revenue cycle. BenefitSpan™ is designed to optimize the revenue cycle, create lasting relationship with the consumer and generate direct revenue.
